Portrait Sessions...

This is the most important element of your portrait session since this is where the images are actually created. Our goal is to capture the essence of who you are through our photography.

Traditional Session - \$35 (session fee)

The classic look, designed to stand the test of time. Simple, plain backgrounds in head and shoulders and waist-up poses. A classic look with a modern flair. This session is all done in one outfit.

8-10 image selections.

Creative Deluxe session - \$65

This session includes all the traditional poses above, plus three quarter and full length poses using a variety of backgrounds and props. You're photographed in a total of 3 outfits, which can include a musical instrument, personal prop, or sport pose. You will have 16-20 image selections.

Ultimate Indoor Session - \$90

A combination of our Traditional and Creative Deluxe sessions, with the addition of a fourth outfit, and even more poses. Include your brother, sister, friend or multiple sports or hobbies. A total of four outfits and 20-24 image selections.

Outdoors - \$45

In addition to your indoor session, we offer the opportunity for outdoor location poses. This is done at a location agreed upon by the client and the photographer. This session is done in one outfit and is often added to one of our indoor sessions. You will have 8-10 outdoor previews to select from.

(You MUST schedule this when you book your appointment to allow extra time.)

Fine Art Portrait - Black and White

Fine art, hand made prints from black and white film are available. Please ask for a price quote.
